# WEST FEST

WestFest is Glasgow's newest community-led cultural festival, established in 2022 and rapidly growing into one of the city's most anticipated annual events.

Following a remarkable 2025 festival that delivered 151 events to approximately 110,000 people, the fourth annual WestFest returns from 1st-28th June 2026.

This year promises over 150 events across 60 venues throughout Glasgow's West End, showcasing an eclectic programme of concerts, performances, recitals, galas, exhibitions, talks and workshops that bring Glasgow West alive with creativity.

At the heart of WestFest lies our spectacular programme of free outdoor community events - the jewel in the festival's crown. In 2026, these include:

- The Big Sunday on Kelvin Way (part of Glasgow's Commonwealth Festival 2026)
- The Vinicombe Street Gala
- Dear Green Place Music Festival
- Kelvingrove Outdoor Ceilidh
- The Queen Margaret Drive Festival
- Sambayabamba & Friends @ Victoria Park
- Midsummer Solstice Fire Show @ Kelvingrove Galleries

Beyond these flagship events, discover dozens of superb concerts, theatrical performances, workshops, exhibitions and more—all free to attend and united under WestFest's colourful umbrella, celebrating everything that makes Glasgow's West End a cultural heartland.
